CAREER OBJECTIVE

Motivated Computer Science Engineering student with strong academic performance and interest in software development and programming. Seeking opportunities to apply technical knowledge, analytical thinking, and problem-solving skills in a professional environment while continuously improving technical expertise.

EDUCATION

Government Engineering College, Kannur

2023 – Present

B.Tech in Computer Science and Engineering (KTU)

- Coursework includes Data Structures, Programming in C, Object Oriented Programming, DBMS, Operating Systems, and Computer Networks.
- Developing strong foundations in algorithmic thinking, programming, and software development concepts.

GFVHSS Cheruvathur

State Board (98.4%)

Higher Secondary Education

2022

Myma English Medium School

CBSE (93.2%)

Secondary Education

2020

TECHNICAL SKILLS

Programming Languages

- C, Python, Basics of Java
- Understanding of programming logic, control structures, and debugging

Web Technologies

- HTML, CSS
- Basic understanding of webpage structure and styling

Computer Science Concepts

- Programming Fundamentals
- Algorithmic Thinking and Problem Solving
- Basic knowledge of Data Structures

Tools

- Linux basics, Git (basic usage), VS Code

CERTIFICATIONS

- **Python Foundation Certification** – Infosys Springboard
- Completed learning modules covering Python syntax, programming logic, and basic problem solving.

CO-CURRICULAR ACTIVITIES

- Volunteered in the national-level technical fest **XPLORE'24** at Government College of Engineering Kannur.
- Participated in **Drone Technology Workshop** conducted during XPLORE'24.
- Participated in **Idea to Prototype Workshop** focusing on innovation and product development.
- Attended ISRO session titled “Welcome to the Fascinating World of Space Science through ISRO”.
- Received **Certificate of Appreciation** for mentorship in a 10-Day Online Python Programming Bootcamp organized by the SHE program.
- Participated in technical quiz competitions and knowledge-based academic activities.

SOFT SKILLS

- Problem Solving and Analytical Thinking
- Effective Communication
- Teamwork and Collaboration
- Adaptability and Continuous Learning
- Time Management

LANGUAGES

English (Fluent), Malayalam (Fluent), Hindi (Basic), Arabic (Read Write)
